

Protecting Community Lands and Natural Resources

Melissa Riess-James

Community Land Protection Program

Governance

Community Land Documentation : 6 Step Process

1. Visioning for the future / Elections
2. Making maps and harmonizing boundaries
3. Drafting by-laws and natural resources management plan
4. Electing governing council and watchdog groups
5. Following national legal/administrative procedures and formally surveying the land
6. Preparing for an empowered, future: rural planning, livelihood support, negotiation and land valuation trainings, financial management trainings, etc

Drafting By-laws

- Participatory and inclusive local governance

- Accountability

- Establishing clear rules and norms
